Several of our contractual agreements with carriers include TPAs and PPOs that have a vast number of insurance plans under these agreements.

We welcome the opportunity to enter additional network contracts that prove to be beneficial to the patient, employer and us. Please let us know of ones that you wish for us to consider.

Our team members will assist the patient in filing insurance claims. We participate in most managed care plans including Medicare.

Payment arrangements can be made if there is no insurance coverage or limited coverage.
